MEMORANDUM FOR: Chairman, National Working Group
                Chairman, Theater Working Group

SUBJECT   : Preparation for Meeting of the
                  Study Group on 16 January 1975

The Co-Chairmen ask that, for the meeting of the Study Group
on 16 January, you be ready to discuss the following points:

a.   When will you have a complete inventory of collection
and reporting assets and information needs? What problems
have you had putting the inventories together, and what are
you doing to solve or get around them?

b.   What changes have you made in the parameters
approved by the Study Group for comparing capabilities and
requirements? Are all the values for these parameters
identified? How are you using them?

c.   Specifically, how will you compare capabilities and
information needs? When will these comparisons be completed?

d.   How will you handle the comparison of the time
needed to disseminate and present data and command needs
for timeliness? How will you evaluate dissemination capa-
bilities?

e.   How will the National Working Group identify national
information needs for the contingency situation?

f.   How will you determine the effect of national priorities,
in the contingency situation, on the availability of collection and
reporting assets for employment against command information
needs? When will this be done?

g. In some detail, how is your work tracking with the terms of reference and the Study Group guidance of 10 September 1974?
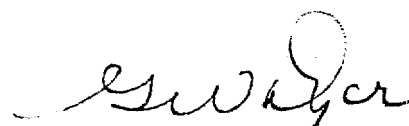

h. Are you getting the cooperation and effort you need from your people? Are you getting the support you need from the participating organizations?

i. In some detail, what is your schedule for your part of the pilot study?
